

Who does what in the regions and countries

The role and how they can help you

Information and Support Manager provides information and support to people with Parkinson's, their families and those involved in providing support workers, build and develop networks with other organisations that can help, and organise information events across the region. Contact your Information and Support Manager to find out which Information and Support Worker covers the area where you live.

Branch and Volunteer Support Officer provides support to local branches and support groups, and can help set up new groups and build them up. They also look after branch volunteers.

Education and Training Officer delivers seminars and courses for health and social care professionals who work with people affected by Parkinson's. **Regional/Country Fundraiser** offers advice and support to branches and support groups, members, local companies, trusts and individuals. They also organise fundraising activities.

Influence and Service Development Officer works with local health and social care organisations to help them build services that better support people with Parkinson's.

Regional/Country Manager oversees the activities of the regional/country team, volunteers, branches and support groups and manages the region/country.

Campaigns and Policy Officer (N Ireland) campaigns to make sure that the voices of people affected by Parkinson's in Northern Ireland where decisions about health and social care are made.

Parliamentary and Campaigns Officer (Scotland) campaigns to make sure that the voices of people affected by Parkinson's in Scotland are heard by the Scottish Government.

Campaigns, Influence and Service Development Officer (Wales) campaigns to make sure that the voices of people affected by Parkinson's in Wales are heard by the Welsh Assembly and Welsh Government. They also work with local health and social care organisations to help them build services that better support people with Parkinson's.
